

M. CHANDHRU

Full Stack Web Developer

7667031034 | chandrunatrajan57@gmail.com | Nazareth, Tamil Nadu
linkedin.com/in/m-chandru-2754b0357

PROFILE SUMMARY

Results-driven Full Stack Developer with hands-on experience in end-to-end web application development. Proficient in backend development (Python, Flask, PHP) and modern frontend technologies. Demonstrated expertise in building scalable applications and implementing database solutions during intensive internships. Strong problem-solver dedicated to delivering clean, maintainable, and user-focused code.

WORK EXPERIENCE

CodeSpark Technologies

Feb 2026 – Apr 2026

Full Stack Web Development Intern

- Architected and developed full-stack web applications using HTML, CSS, JS, and PHP.
- Gained deep expertise in server-side logic, database design, and RESTful API integration.
- Built modern, responsive user interfaces using React and TypeScript for enhanced performance.

ICANIO Technologies

Jul 2024 – Aug 2024

Java Intern

- Mastered Core Java and Object-Oriented Programming (OOP) through practical application.
- Collaborated on projects focusing on clean code architecture and efficient software design principles.

PROJECTS

Student Result Management System | [Live Demo](#)

Automated academic management system built with Python, Flask, and SQLite. Features full CRUD functionality, automated grade calculation, and a dynamic reporting dashboard.

Fake News Detection System | [Live Demo](#)

A Machine Learning application utilizing Naive Bayes and TF-IDF vectorization to classify news authenticity with high accuracy.

Jarvis AI Personal Assistant | [Under Development](#)

Advanced AI assistant integrating voice recognition and conversational intelligence using FastAPI and Google Gemini API for seamless system automation.

TECHNICAL SKILLS

Languages: Python, Java, PHP, JavaScript, HTML5, CSS3

Frameworks/DB: Flask, Bootstrap, MySQL, SQLite

Developer Tools: Git, GitHub, VS Code, Render, Vercel

Soft Skills: Critical Thinking, Time Management, Adaptability

EDUCATION

Anna University (2022-2026)

B.Tech Information Technology | CGPA: 7.81

Pothihai Public School

HSC: 70% (2022) | SSLC: 95% (2020)
